A PUNK, A SODOMITE, AND A LOON WALK INTO A BAR ...

Dear Loyal Readers:

"Christian" wannabe punker Warren Kinsella, "gay activist" Jew lawyer Martin Gladstone, and "Christian" inept Councillor Mary-Margaret McMahon, do not like us. Like in the old Soviet Union, these Bolsheviks compulsively report us to the authorities for ThoughtCrimes. We are not sure who leads this anti-free speech cabal.

Fervent ZioMarxist and Israeli atrocity apologist Martin Gladstone fought to banish "Queers Against Israeli Apartheid" from "Gay Pride". In June he sent long-winded, histrionic letters to all our advertisers, to intimidate them into pulling their ads from our paper. Most are immigrants, so he knew they would be easy prey to legal scare tactics.

Gladstone's letter provided several reasons to fear us. He claimed our paper was "...turned over to the police and we are advised under good authority that the matter is being investigated by the Office of the Attorney General to determine if in fact charges will be laid under the Criminal Code regarding hate laws." Statements like this cause naïve immigrants to falsely presume THEY could be arrested just for advertising with us.

Warren "Nazi Bogeyman" Kinsella cannot stop obsessively blogging about us. Like a grade school pupil working on a class project, washed up Kinsella cherry-picks imagery from our paper to create inspiring Nazi-themed collages for his blog. Fortunately his followers have grown tired of all his whining, with virtually no comments posted after his most recent tirade.

And then we have the oh-so-spankable Marxist Mary McMahon. She is Martin

Gladstone's fag hag and may be taking direction from him. Her assistant Ellen Pisani wrote ...

"Councillor McMahon is certainly aware of this paper, and is also very concerned with the content. She has reported the paper to the police, Canada Post, the Integrity Commissioner, the Human Rights Commissioner, and the City's Ombudsman. There is a current hate crime investigation with the police. A strategy that some residents have taken is calling the businesses and people who advertise in the paper. You could also report this to the police, and/or Human Rights Commission. Also, since Canada Post, a Crown Corporation, is delivering this paper perhaps you would like to contact MP Matthew Kellway to see if this can be stopped."

Well, we are still here and we are not going anywhere. Donations to the New Constitution Party of Canada keep rolling in! Because the Thought Police may freeze our now sizable bank account, we must SPEND IT ALL, so we may soon increase our distribution area to include Marxist Riverdale. A \$100 donation allows us to print and deliver to 427 more homes.

Please open the paper and enjoy this month's overdose of truth!

ISRAELI JEWS DESTROY YET ANOTHER CHRISTIAN CHURCH

Four months after torching and desecrating a Greek Orthodox Church, Israeli Jews have burned down the oldest Catholic Church in Palestine—and we have not heard a peep out of the ZioMarxist-controlled mainstream media or Prime Minister Stephen Harper.

**By Dr. James Sears,
Editor-In-Chief,
Your Ward News.**

As an Orthodox Christian whose extended family was mass-murdered by Bolshevik Jews in the Soviet Union, I am sensitized to anti-Christian hate crimes. The Holocaust of 50 million Orthodox Christians in the Soviet Union began with the stifling of free speech, then gun control, and then burning down churches. Destruction of sacred relics is usually followed by mass genocide.

Naïve Canadians think that the Palestinian Holocaust being perpetrated by Ashkenazi Jews involves only Muslim victims. Nothing could be further from the truth. Not only do Jews spit on, threaten, and beat Christian Priests on a regular basis, but they vandalize and burn down our churches. The latest example was

the LAST STRAW for me. I cannot remain silent any longer. It is time to expose the Jewish invaders for what they are doing, and work toward dismantling the illegitimate Zionist Apartheid State of Israel, and give the land back to the Palestinian people.

Up until the Jewish state was formed in 1948, members of all Palestinian religions lived in harmony. Muslims, Christians and Sephardic Jews who had occupied Palestine for centuries, would babysit each other's children. The indigenous Palestinian Jewish minority was VERY religious. They strictly followed the teachings of the Torah (Old Testament) and rejected the Babylonian Talmud (oral teachings of the Christ-murdering Pharisees) as satanic lies.

In the late 1940's the Ashkenazi Jewish invasion of Palestine began in full force. It started gradually during the 1930's, when Hitler and his Zionist Jewish collaborators teamed up to move Jews into concentration camps. The eventual goal was to ship them to Palestine to form a Jewish state under the authority of the Balfour Declaration. Fast forward to today, and in the last few weeks Israeli Prime Minister Benjamin Netanyahu, an Ashkenazi Jew, is now calling for the Talmud to become the basis for ALL Israeli law!

The Talmud is the reason why brainwashed Jews destroy churches. The Talmud states, amongst other things, that Jesus Christ is the son of a whore; Jesus Christ is boiling in excrement for eternity; non-Jews are subhuman animals and therefore a Jew can steal from, lie to, and murder them without punishment, etc. Such teachings provide carte blanche to Jews to abuse and murder non-Jews.

Last year a Romanian Orthodox church in Jerusalem was sprayed with graffiti reading "**Jesus is garbage**" ahead of a visit to the Holy Land by Pope Francis. "**Death to Arabs and Christians**" was sprayed on the offices of the Assembly of Bishops at the Notre Dame Centre, opposite the walls of Jerusalem's Old City. On February 26, 2015, Talmudic Jews TORCHED and defaced a Greek Orthodox Church in Jerusalem with slogans like "**Jesus Son Of A Whore**". As in previous incidents of church vandalism by Jews, the story was never reported by the mainstream media, so Jews felt empowered to step up their attacks.

Then on June 17, 2015, one of the most heinous anti-Christian acts short of the usual genocide took place in Palestine. **The Church of the Multiplication of the Loaves and Fish**, a stunning church at the Sea of Galilee, built before 380 AD and filled with rare, ancient mosaics commemorating Jesus' feeding of 5,000 people, was totally gutted when Talmudic Jews set it on fire. This church was filled with beautiful ancient art. Graffiti such as "**the false Gods will be eliminated**" was spray-painted on what was left of the exterior.

...CONTINUED FROM LAST PAGE

These sorts of attacks happen all the time in Israel, but this Catholic Church was so ancient and so important to Catholics, that the attack has sent shock waves throughout the entire Middle East. The destruction was so total, brazen, and targeted, that it bordered on Deicide. This deeply holy site and the ancient artifacts it housed were so important to the history of western civilization, that its destruction severely wounded the collective consciousness, and constitutes a crime against all of humanity.

Even though 46% of Canadians are baptized Catholics (with many Irish Catholics, including my wife, living in the Beaches-East York riding), and only 1% of Canadians identify themselves as Jews, we have not heard a peep out of Prime Minister Stephen Harper, Liberal Leader Justin Trudeau (a supposed Catholic who supports the murder of unborn children), and NDP Leader Thomas Mulcair (a supposed Catholic who is a ZioMarxist and even more Satanic than Trudeau or Harper).

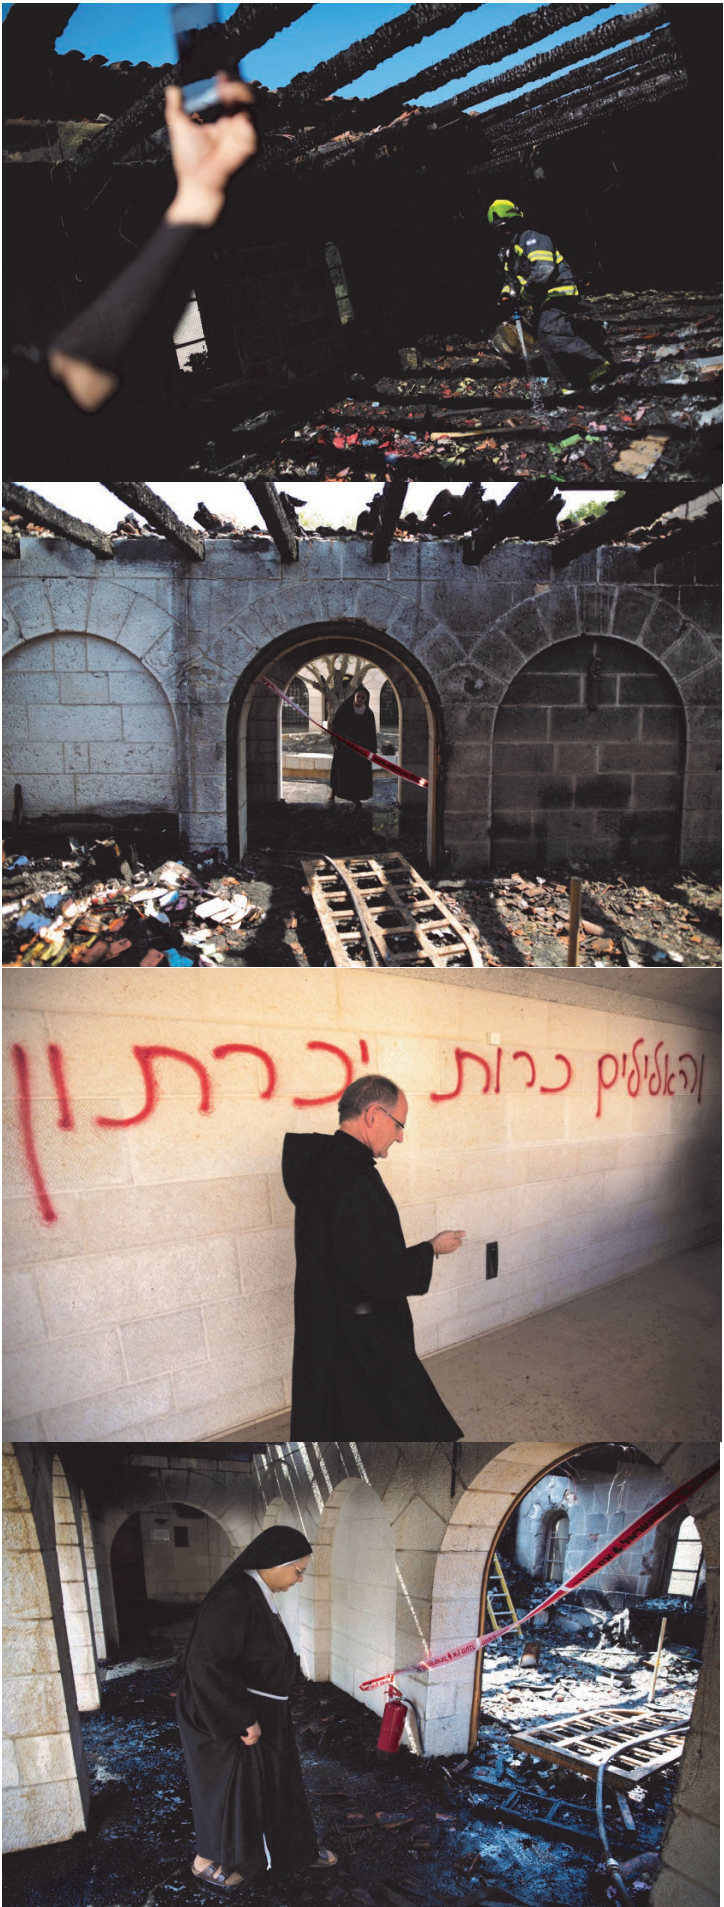

Perhaps if Lord Conrad Black (a born Protestant who converted to Catholicism and later married a Jew) still had his vast media empire and wealth, Harper would have second thoughts about turning a blind eye to anti-Catholic hate crimes. But, as long as the only media outlet in Canada reporting this disgusting hate crime is Gentile-owned

and edited Your Ward News, Harper is in the clear sucking up to Jewish money and media power.

Today I call upon all ethical Torah-worshipping Jews to express their moral outrage at what their people have done to my Orthodox Christian people and to my Catholic friends. I call upon Canadian Jews to denounce the teachings of the Babylonian Talmud, and petition the Canadian government to make the token gesture of banning the Talmud in Canada as "hate literature" directed against the Gentile 99%.

Even though "religious scripture" is exempt from our hate laws, the Talmud is political commentary rather than inspired scripture. No sane man could possibly consider the hate-filled passages of this book written by those who murdered Jesus Christ, to be the basis of any legitimate religious doctrine. It is merely hateful anti-Gentile propaganda.

Denouncing hate and teaching their children to love and respect others is the only way future generations of Jews will stop murdering Christians and Muslims, and hopefully make it the first step toward perfecting themselves by accepting Jesus Christ into their hearts.

community, but that the mainstream media is suppressing.

Andrew: How is it funded?

LeRoy: The majority of our funding is by donations and a small percentage by advertising. We do not require advertising to stay funded, but we offer it as a service to the community.

Andrew: How do you describe Your Ward News to potential advertisers?

LeRoy: The only community newspaper in Wards 31 and 32 that is delivered by Canada Post to approximately 48,000 homes and businesses each month.

Andrew: What do you think of the campaign by neighbourhood groups to phone your advertisers and tell them that the newspaper is full of bigotry?

LeRoy: I think this is AWESOME! The campaign has lost us a few hundred dollars a month of ad revenue, but has caused a massive surge of thousands of dollars a month of donations from free speech advocates. Also, Dr. Sears is thrilled because now he has more space for social justice articles.

Andrew: Some local businesses who bought multi-issue ads in the Your Ward News have said that they've since asked for those ads to stop running, with no money refunded, but that hasn't happened. Why not?

LeRoy: They entered into contracts with our paper to advertise in several issues in exchange for deep discounts. We are honouring our end of the contract. If they break the contract unilaterally because they are pussies who cannot handle Marxist bullies harassing them, that is not our problem.

Andrew: Some local residents have said they find the newspaper racist, and they don't want it delivered to their door. Can people opt out of deliveries? If not, why deliver it to people who don't want it?

LeRoy: Words like "racist", "sexist", "anti-Semite" and "homophobe" are insults thrown at good Christian people by Marxists who do not agree with their opinions. It is not possible for us to pick and choose individual houses with Canada Post. If a thin-skinned, brainwashed recipient is offended, they can chuck it in the recycling bin.

Andrew: What is the newspaper's relationship with the New Constitution Party of Canada?

LeRoy: The party is not directly associated with our paper. Their advertising is wrapped around our paper.

Andrew: Why did James Sears become editor of Your Ward News?

LeRoy: It is a thankless, unpaid job, so you would have to ask him. I was glad that he took that responsibility off my hands so that I could spend more time managing my media empire.

Andrew: How has the paper changed since he became editor?

LeRoy: Grammar and spelling have improved dramatically. The quality of articles is better. He has rejected a lot of potential articles that contained historical fallacies. He also knows how to manipulate the content to get us negative publicity while staying within the bounds of the law, which translates into huge donations from all over the world!

Andrew: Why did sheets go up on the windows of the office at 163 Main Street?

LeRoy: My staff were being distracted by passers by. Girls would wave and do Nazi salutes at the window. Some even flashed their breasts. It got to the point where I had to cover the windows. The door is open and you can come in and see that nothing sinister is going on inside. But, I run a professional environment with a lot of young men as employees, and I cannot have my staff distracted by young women with Nazi fetishes.

Andrew: Has Gary Schipper, former spokesperson of the Heritage Front, had articles published in the Your Ward News, either under his own name or a pen name?

LeRoy: Nobody that goes by the name Gary Schipper has ever had an article published in our paper. I do not ask for ID, so if Mr. Schipper is using an alias to publish, I cannot be sure. Furthermore, if Mr. Schipper approached me BY NAME to publish articles under a pseudonym, and asked that his identity be kept secret, I would honour his request and deny his involvement, like any good commanding officer would.

Andrew: Your Ward News has published neo-Nazi style graphics, caricatures of Jews, and a column last fall by Michelle Erstikaitis that endorsed two white supremacists for city council. Are you a white supremacist?

LeRoy: By definition, a "supremacist" is someone who wants to reign supreme over another group. For example, Zionists want to reign over Palestinians and Talmudic Jews want to reign over everyone else. So, those people are supremacists. Neither I nor members of my staff want to reign over anyone. We are not white supremacists. Furthermore, I am NOT white! I am a proud Métis whose great-great-grandfather was Louis Riel's right hand man. We have several black staff and I even appointed ... brace yourself ... a Greek as Editor-In-Chief!

Andrew: Why publish a newspaper that supports white supremacists?

LeRoy: Our newspaper is neutral. It does not support any ideology. We just report the truth and let people make up their minds. Personally, I am an ABORIGINAL SUPREMACIST. I think you guys should be taking orders from my people.

Andrew: What charities are supported by the Beaches Blues Festival?

LeRoy: The Beaches Blues Fest is NOT a charity, it is a non-profit corporation. It supports musicians by way of educating them as well as the public through live performances. Over the past twenty years we have provided for disadvantage youths with tickets, food and t-shirts, plus great entertainment. As well as raising cash for many worthy causes. Far too many to mention.

Andrew: Why insist on answering questions by email?

LeRoy: I learned that from Dr. Sears. He is a smart man. He said that Marxists will twist what you say by phone or in person. If it is in writing, it cannot be misconstrued. Also, if sentences are taken out of context, when a FULL EXPLANATION was originally given in writing by me, Dr. Sears says that we can sue you and HE would put up the money to do it. In conclusion, since you requested to have answers to your questions, I demand you print them completely in your paper.

POLITICAL CASE STUDY: MAYOR JOHN TORY, PSYCHOPATH-IN-CHIEF

**The majority of voters compulsively and repeatedly vote for psychopaths.
Is it pure ignorance or merely the law of attraction?**

By Bahman Yazdanfar

There is extremely tough competition amongst members of mainstream political parties to get ahead, become party leader, and eventually head of government. Like sperm swimming fast against one other, in the end only one penetrates the egg! Paradoxically, after all the hard work the winner put in, once he obtains power he behaves like a moron and bamboozles the very people who elected him and now pay for his lavish lifestyle.

Why? Is it because power corrupts? Or is it because corrupt individuals want power at any price? The answer lies in focusing on who these people are and their common personality traits. Firstly, we must identify their primary objectives and goals, and whether or not they behave as a reasonable person would in various circumstances.

They are undoubtedly smart or they would not have gotten where they are. However, are they smart enough to comprehend the ramifications of the public policies they push for? And if they are, do they give a damn about the consequences of their actions, which affect millions of citizens? Reading a person's mind is impossible, but by observing his behaviour we can interpret a lot about his personality, and to some extent, his intentions.

Do these "leaders" ...

- Want to get rich?
- Despise the public?
- Seek power for the power's sake?
- Serve their masters behind the scenes?
- Crave affection or rock star recognition?
- Want to compensate for their shortcomings?
- Believe they know better than everybody else?

An ordinary citizen must obtain some sort of education and/or skills and gain experience in his field, in order to have acceptable, if not impressive job credentials; he must submit his resume to prospective employers, pass personality tests, and partake in multiple interviews before getting hired.

Why haven't we, as an advanced society, developed a similar system to examine the credentials of our "leaders"? Why don't we, as taxpayers, demand certain tests, such as basic independent psychological evaluations, to ascertain the mental stability of these individuals before giving them the power to decide our destiny?

For example, let us consider newly elected "Mayor" John Tory. One can clearly see a drastic change in his direction and behavior over time. When he kicked off his campaign he was a questionable candidate due to his past conduct. His skeletons included ...

- Contribution to the demise of the federal Conservative Party in 1993
- Involvement with Charter Communications' shady practices, leading to its bankruptcy
- Introducing "The White Papers" while enjoying the ride as the leader of the Ontario PC Party, just before the 2007 Ontario general election (that fiasco led to the Liberals' second majority government in Ontario, and him losing his seat to Kathleen Wynne).

Anyone with a sound mind would ask why people would vote for such an inept person amongst 60 plus Mayoral candidates! How could Mr. Tory get away with such chronically dismal job performance in so many cases? It's simple. He received lots of money from certain benefactors with deep pockets. Unelected individuals and industries provided him unlimited access to the mainstream media. Mr. Tory swore allegiance to his past employers, and broadcast baseless ideas, along with a big basket of empty promises. And let's not forget the main ingredients of his

success: A large number of uninformed voters and a low voter turnout, of course!

Ironically our legal system uses public resources to deal seriously with those who break the law and leave behind one or a few victims. However, there are little or no consequences for unsuitable and/or incompetent "leaders" whose bad judgement while decision-making on behalf of their constituents, adversely affects thousands, and even millions of victims. Where is justice when you need it most?

Here is the icing on the cake: people like John Tory, Kathleen Wynne, etc., will always land much better jobs, top positions, with much less responsibility, and much more money and perks, after they are out of the office. Shocking, isn't it?

Those who promise something they know they can't deliver are either stupid or deceptive! John Tory introduced his **"code of conduct"** to the voters, months before Election Day, claiming he will:

- **"Respect and defend our laws, not break them."** Is he suggesting that we should expect to have crooks and criminals running for public office?
- **"Keep an open schedule, which is easily accessible to the public."** Isn't availability to his constituents part of the Mayor's job?
- **"Conduct press availabilities, at least once a week."** Is he doing us a favour by using taxpayers' money and public resources to promote himself?
- **"Use City resources exclusively for City business, and tightening spending rules."** Apparently the operative word is **"EXCLUSIVELY"**--he increased the Mayor's office budget by **MORE THAN \$325,000!**
- **"Introduce real penalties for city staff members who abuse their positions of power."** Is he going to impose "Real Penalties" for "elected" members who betray their constituents? Why does he leave them out?
- **"Force all lobbyists to register, in order to level the playing field for union lobbying."** However, he can hand-pick companies like The Group of 13, and pre-select consultant teams, giving them millions of dollars to study issues he championed while he was campaigning for office. Not to mention his sons' involvement and possible conflicts of interest in questionable projects like Live Nation and Billy Bishop airport!
- **"Work to build relationships with neighbouring municipalities and other levels of government."** Has he been isolating himself?

And then there's the list of bogus and useless comments and platitudes like ...

- **"Mend relationships and build bridges within a divided city council"**
- **"Not have an enemies list."** He said he will use the office to work with people, not to **"carry on old fights"**.

- **"Treat city staff professionally and with courtesy"**, suggesting that he is better than past Toronto Mayors who were unprofessional and did not do their job.

- And he is going to **"clean up city hall"**, like we haven't heard this one before!

Interestingly enough there is no mention of taxpayers, citizens, constituents, voters, or people in general, in any of the items on his list, so is very clear that John Tory exhibits extreme narcissistic personality traits, and those traits have expressed themselves more prominently since he was elected Mayor of Toronto. It is as if he was fighting to suppress these traits until penetrating the municipal egg.

All of Mayor Tory's signs and symptoms closely mirror those of a psychopath. Even though the mainstream media does its best to camouflage his actions, the evidence is in plain sight for the public to examine. So why do voters keep electing psychopaths? Are voters in denial or do they simply like deceptive creatures managing their lives? It appears the public, collectively and not individually, practices masochistic behaviour, by giving mandates to maniacal "Leaders" to backstab them continuously!

In future articles, we will philosophically explore how some societies come to be ruled by psychopaths.

Gory John Tory Back-Stubbed Voters

NOW I AM REALLY DOING “GOD’S WORK”

I always felt that I had God on my side, but ever since an 85 year old Catholic woman gave me a crucifix to “protect (me) from the Jews that murdered Jesus”, I feel I am no longer merely an expendable pawn in Divine Providence.

By Dr. James Sears,
Editor-In-Chief,
Your Ward News.

DON'T MESS WITH A MISSIONARY MAN

a few days ago someone very special entered my life, and **WATCH OUT SATAN** ... her involvement is a game-changer!

I just learned that one of my biggest fans is a lovely, 5' tall, meek, 85 year old Catholic lady living in the Victoria Park Avenue and Dawes Road area. She is a HUGE fan of Your Ward News, the New Constitution Party of Canada, and lowly me. She has become my #1 groupie. She has asked to remain anonymous, stating that she is “**merely a mouse**”. But make no mistake: My most special disciple, who will be named “Mary” for the purposes of this article, is the **MOUSE THAT ROARED!!!**

Mary is extremely well-read and highly intelligent. She has keen insight into the Illuminati and their plan to enslave the world under a Satanic one-world government. She realizes that my position as Editor-In-Chief of an anti-NWO publication makes me public enemy #1 for the Satanists. Frightened for my safety, Mary urgently contacted me to say that she had “**a gift to protect you from the Jews that murdered Jesus**”. I explained to her that I was not afraid of being murdered in that “**Jesus survived it and so will I**”. However, Mary would have none of my cute retort, and insisted she present me with her gift ASAP.

That heart-melting gift was in an envelope quaintly marked “**For Protection, Dr. James Sears**”. It was a lovely crucifix which I now wear 24 hours a day, 7 days a week. It is true that I do feel safer. I also feel more directed by God in His battle against the forces of the Antichrist. In addition to her protective gift, Mary provided me with a slew of literature meant to enlighten me as to the ways of our enemy. I have not yet had a chance to begin reading any of it, but when things settle down I promised her I would read every word.

The books, magazines and print-outs include ...

- “Illuminati, The Cult that Hijacked the World” by Henry Makow
- “Illuminati 2, Deceit and Seduction” by Henry Makow
- “Illuminati 3, Satanic Possession” by Henry Makow
- “The Social Credit proposals explained in 10 lessons” by Alaine Pilote
- “Michael: For the Triumph of the Immaculate”, March/April 2015 edition
- “Did Zionists Help Plan the Holocaust?” from HenryMakow.com
- “Father John O’Connor Sounded Satanist Alarm” from HenryMakow.com

For those not familiar with Dr. Henry Makow, Ph.D., he is a Canadian author, campaigner against homosexuality, public opponent of Zionism and Freemasonry, and the inventor of the card game Scruples! I knew of him years ago from his first web site **SaveTheMales.com**. Now you can find his work at **HenryMakow.com**. He describes the Jewish life he rejected as follows ...

Jewish Billionaire Lloyd Blankfein is Chairman and CEO of Goldman Sachs, the world’s premier bank and investment house. He is a General in the army of the 1% that pillages the wealth of the 99%. When Blankfein was confronted about his misdeeds and was accused of getting “Richer than God” on the backs of those less fortunate, Blankfein beamed a smile and exclaimed “**I’m doing God’s work**”.

The chief owner of Goldman Sachs is Lord Jacob Rothschild, the fourth Baron of the Rothschild Dynasty. He and other Rothschild family members dominate the consortium reigning over Earth’s most gigantic and powerful force—that of the Money Power. According to Christian preacher Texe W. Marris “**Goldman Sachs is its nucleus and tornadic eye**”.

Indeed, Blankfein **IS “doing God’s Work”** as he sees it ... that is, if we agree with the famed nineteenth century German Jewish writer and philosopher Heinrich Heine, who wryly observed “**Money is the God of the Jews, and Rothschild is His prophet.**” Even the Jewish play “**Fiddler on the Roof**” was sanitized for naïve gentile audiences by having the original Sholem Aleichem song “**If I Were a Rothschild**” changed to “**If I Were a Rich Man**”.

As a Christian, my idea of “**doing God’s work**” is the polar opposite of Blankfein’s. I emulate God by fighting the 1% as Jesus did when he drove the moneychangers out of the temple. My work is one of selfless sacrifice for the betterment of all mankind. My battle was always a lonely one, as hundreds of men followed me, but none dared emulate me. However,

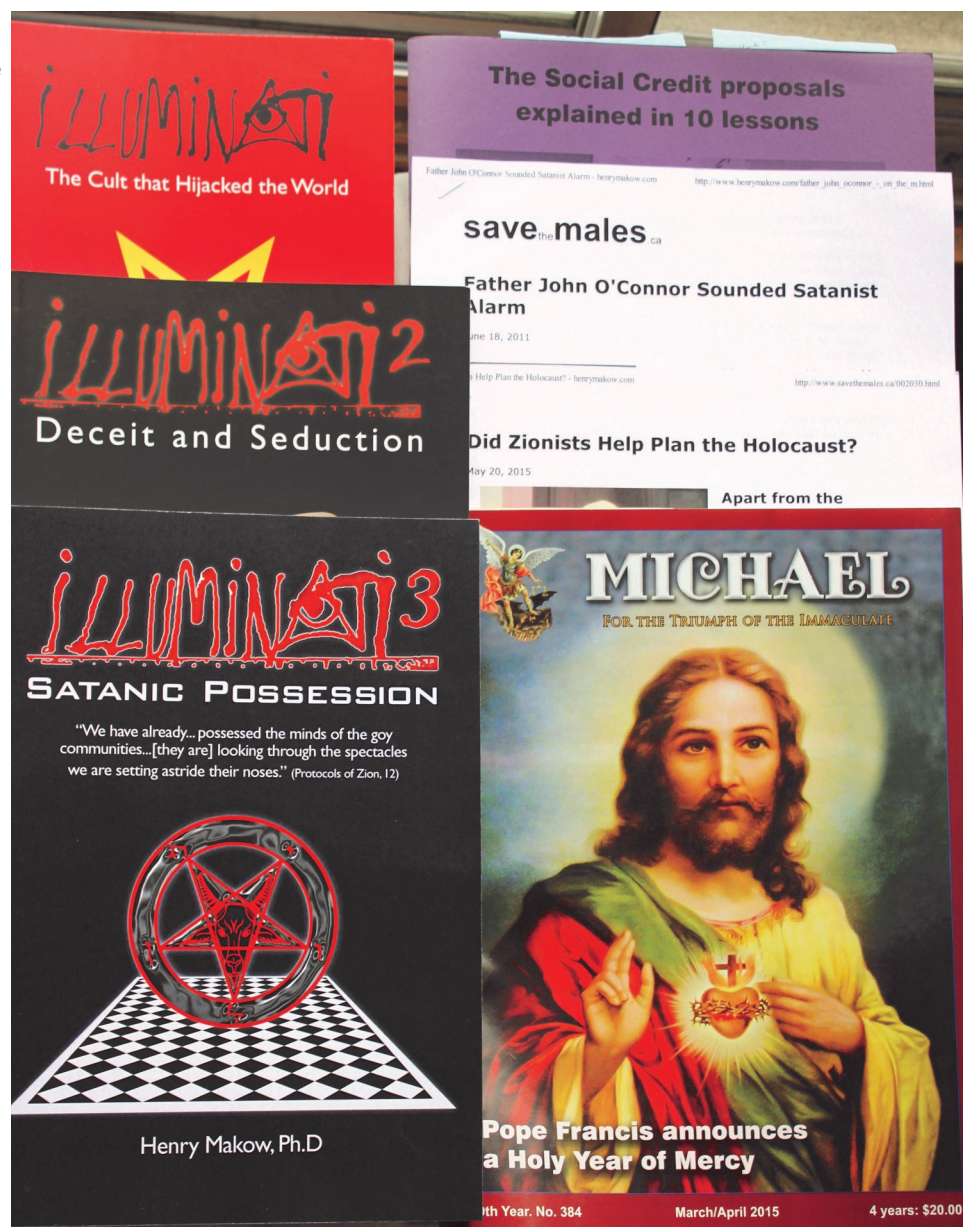

“Until the age of roughly 50, I was another mass-produced Luciferian Jew--Zionist, liberal, socialist and feminist. Luciferian Jews are ‘revolutionaries’--people who deny and often defy God by overturning His design, the natural and moral order of the universe. They have defined the modern world, which is built on the ruins of religious ‘superstition.’”

Years ago I considered myself an atheist, and for a couple of years I even considered Satanism the way. During that time I felt Makow’s thinking was out of line. However, I eventually came back to the teachings of Jesus Christ and now feel that Makow was right all along. If by chance he comes across this article, I want to thank him for all of “**God’s work**” he has done over the years.

And thank you Mary for your thoughtful and generous gifts. Please remember that our time on this Earth is merely a drop in the sea of our existence. I feel very strongly that beings from another world seeded our planet with DNA to start life. We refer to them as “God”, and they observe and judge us each and every day. You will be blessed for dressing me in God’s armour, and I hope that one day you and I sit in honour, on either side of God’s throne.

NOW THAT IS A KICK-ASS CRUCIFIX

MY NEW “INTELLIGENCE CHIEF” HAS PROVIDED ME WITH SATAN’S BATTLE PLAN

REBEL REBEL !!!

The recent attack on the Confederate Battle Flag by naïve, brainwashed North Americans is yet another example of cultural Marxism infecting the body politic, and trying to re-write history to suit its Egalitarian agenda.

**THERE'S NOTHING MORE OFFENSIVE THAN ATTRACTIVE,
WHITE HOLOCAUST SURVIVORS**

By J.J.

RAISE THE FLAG! And why not? It's flying off the shelves in North America, and represents freedom from oppression more than ever. Florida, Georgia, Louisiana, Mississippi and South Carolina all have laws protecting the beautiful, iconic Confederate Flag from being desecrated. But after the unfortunate massacre in a Charleston, South Carolina church, politicians and mainstream media blame this rebellious flag for that horror.

The vote-pandering governor of South Carolina demands that the flag no longer fly outside the Statehouse. However, the knee-jerk, politically correct reaction has backfired as freedom-loving people are displaying the misunderstood symbol. These people know that the American Civil War was NOT about slavery, as ZioMarxist school text books will have us believe—it was about States' rights. The South wanted to secede for economic reasons, and they had the constitutional right to do so.

The South was invaded by a corrupt and over-reaching Northern government. The South fought valiantly for 4 years. Over 600,000 Americans died, of which 500,000 were Confederates. The population of The United States at the time was about 35 Million. It would be equivalent to 6 million dying today (sound familiar?) It was nothing short of an American Holocaust (a REAL, not mythical one), and for that reason ALONE we must commemorate ALL battle flags from that war.

The South was devastated. Anything that was built up by slavery was gone, so the notion that America was "built on slavery" does not hold water. In the south 6 million white people and 4 million newly-freed slaves were left with nothing. Today 70 million Americans are descended from the Confederacy and they will never forget what mass-murdering, control freak Abe Lincoln did to their ancestors.

Most white Southern families had no slaves, meaning most white soldiers in the South had no slaves. According to the previous census of the entire United States, of 27 million people, about 1.4% owned slaves; 4.8% of Southern whites owned slaves. There were over 3,000 BLACK slave owners living in the South. According to the U.S. census, in South Carolina in 1830, about 1/4 of the Negro slave masters owned 10 or more slaves!

I was commissioned to write an article about how the Confederate Flag is not racist. But if you THINK it's racist, then it is!!! If you THINK it stands for Southern pride, then it does!!! Clearly a subjective matter, those in power will try to decide for us what it stands for. Your Ward News supports the flying of ANY flag, even the awful Rainbow Flag which CLEARLY represents the trashing of traditional family life and even traditional matrimonial unions. Our disgust is trumped by our love of free speech and expression.

There are also many examples of pop culture co-opting the Confederate Flag for fun and profit: Dukes of Hazzard, The Simpsons and Forrest Gump, to name several. Southern rockers Lynyrd Skynyrd have displayed the Confederate Flag as part of its stage show for ages. Gary Rossington of "Skynyrd" defends the band's use of the flag, claiming that he and ALL past and present members MORE than approved of it and are "extremely proud" of their Southern heritage.

Even the famous Negro rapper Kanye West came under fire in 2013 when he used the Confederate Flag to promote his Yeezus album. Kid Rock has also used the flag in his performances, and he's from Detroit!!! (Southern Detroit, maybe?)

Canada has also had its share of controversies regarding this flag: In 2013, the owner of a downtown Hamilton restaurant caught heat for displaying the Confederate Flag because he wanted to show a "Southern icon" in-keeping with his restaurant's theme. Some whiners complained about slavery, hurt feelings, blah, blah, blah. They failed to realize that if you don't have freedom of speech, you ARE a slave.

That same year, students at a York Region high school lost a two-year battle for the right to wear back-packs and belt buckles etc. with the flag on them. One year later, a black student was beaten as other students cheered and yelled "nigger". Was this racial frustration and resentment caused by the flag? Of course not! The racial frustration and resentment was caused by banning it. Our concern is that the U.S. will experience the same phenomenon on a much larger scale after "lowering the flag" on Southern Holocaust survivors.

Walmart, Sears (not James) and several other large retailers decided to remove products bearing the Confederate Flag from their stores and websites. America's oldest and largest flag manufacturer, Annin Flagmakers, announced it would cease making and selling the Confederate Flag. The company has been in business since 1847. Canada's Flag Shop also decided to stop selling the Confederate Flag. Several Toronto stores that sell the flag will continue to do so. Kudos to them!

Even Warner Brothers will halt production of the Confederate Flag-bearing "Dukes of Hazzard" car, the General Lee (General ROBERT E. LEE that is). But here's the clincher for us: Canadian stores and on-line distributors such as Walmart, Ebay and Amazon now deem the Confederate Flag immoral and offensive, but their hypocrisy should make any healthy and educated Canadian sick to their stomach.

EXAMPLE: Amazon.com clearly promotes rape culture and is more than happy to advertise, sell and profit from the "**BONDAGE VELCRO MOUTH GAG COLLAR WITH ADJUSTABLE WRIST CUFFS**". They have concluded that it would be immoral to sell the Confederate Flag, but it is just dandy to supply serial killers and college boy rapists who drug women then rape them, with the tools of the trade. Those killers and rapists are Amazon.com's version of "GOOD 'OL BOYS".

And while we're on the subject of Amazon, take some time out today to order your very own "MINI NEGRO STEEL TIN TOY COLLECTION" (they come in black only). And while you're at it, make a change for the summer by ordering a "HAIR EXTENSION PONY TAIL, AVAILABLE IN NIGGER-BROWN AND RED". Go on, it'll look great on ya. Yes, "Nigger Brown" was once on the colour palette. And even though the term has not been used for over half a century, Amazon does not seem to care (Blatant, bald-faced hypocrisy of the highest order).

What about those who seem uncaring that the flag is "hurtful" to too many people and that "hurt feelings" are the top priority? We had a lengthy discussion about this phenomenon and concluded that a person cannot PROVE that their feelings have been hurt. If something is not PROVABLE, it certainly can't be "heard" (in the legal sense) in any meaningful way by ANY judicial or even quasi-judicial body. Even morally and ethically, the notion of banning free speech and expression to protect people's feelings is unrealistic and quixotic.

CNN, the CBC, and virtually every mainstream media outlet will doggedly continue to equate the Confederate Battle Flag with Southern black slavery, so the uneducated calls for "lowering the flag" will continue. While we're on the subject of Southern black slavery, those who believe that the flag in question is related to slavery and racism against blacks, probably believe the lies their teacher taught them about Good 'Ole Abe (President Abraham Lincoln. that is), the "GREAT EMANCIPATOR" who freed the slaves. Here's the truth at last ...

The sixteenth President of the United States Abraham Lincoln was NOT an abolitionist! The MOST prominent of ALL slavery abolitionists said, "Lincoln had not a drop of anti-slavery blood in his veins". The fact is that he was AGAINST social and political equality of the races, OPPOSED to inter-racial marriages, and was a life-long advocate of sending blacks to Africa, Haiti and Central America—ANYWHERE BUT The United States. And straight from the horse's mouth: "I CANNOT LET THE SOUTH GO IN PEACE (sic); WHO WOULD PAY FOR THE GOVERNMENT?"

During a debate in Ottawa, Illinois on August 21, 1858, Abraham Lincoln said

"I will say, then, that I am not, nor ever have been, in favor of bringing about in any way the social and political equality of the white and black races [applause]: that I am not, nor ever have been, in favor of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and

inferior, and I, as much as any other man, am in favor of having the superior position assigned to the white race."

Three-time presidential candidate Dr. Ron Paul has a "gotta-see" video on YouTube. According to the highly-educated Dr. Paul ...

"The south was on the right side. Over 11 countries in North and South America got rid of slavery WITHOUT war. One legislative method was to 'buy' slaves' freedom, which makes sense considering the cost of war. Upwards of ¾ of a million dead and loss of liberty at untold cost. There must have been a tremendous motivation for that war to be fought".

SOME CONCLUSIONS:

- The Civil War was NOT fought over slavery.
- The North fought the war for financial reasons and many Northerners had slaves.
- The Confederate Flag never flew over slave ships, but those of the British, Portuguese and Dutch did.
- Federal, Yankee, Union ships brought black slaves to America.
- The U.S. flag flew over a slave nation for over 85 years.
- The North made a fortune off slavery and its commodities. They tolerated slavery and acknowledged it as a Division of Labor.
- Many blacks willfully joined the Confederate Army to fight for their beloved Southern home.

There are many more misconceptions about the Confederate Battle Flag, The South and the Civil War.

TIMMY !!! SAY IT AIN'T SO !!!

The iconic donut chain Tim Horton's is tightly woven into the fabric of Canadian culture. Why then does it spit in the face of free speech by censoring controversial political web sites whilst allowing children to view homoerotic filth?

TIMMY'S SAYS ONE OF THESE IS "INAPPROPRIATE"

By J.J.

should have been blocked in the first place. We apologize if anyone was offended by that error."

A close perusal of dailyxtra.com uncovers a treasure trove of depraved filth. What Timmy's finds acceptable includes multiple images of homosexuals getting hot and steamy with one another, lewd sexual discussions, and clips from a web series titled "So You Think You Can F*ck" in which "gay porn stars" compete in team challenges and one-on-one sex scenes. The images were too disgusting to publish in our clean, family-oriented, community newspaper.

Based on the above being deemed "appropriate" by Timmy's, we conducted a test. We attempted to access sites which were politically controversial, but far more benign than dailyxtra.com: The white nationalist discussion boards Stormfront.org and VNNforum.com. In both cases we were confronted with "ACCESS TO THIS PAGE HAS BEEN BLOCKED DUE TO INAPPROPRIATE CONTENT". Exactly who decided that these sites were not "appropriate"? We like them, and WE will decide what we want to watch and read.

Whether you want to look at cats all day long or debate with historical revisionists, it has to be YOUR choice in a free society. Tim Horton's is a microcosm of Canada's aversion to self-education. Even when it comes to politics, Dr. James Sears is the ONLY Beaches politician who has shown ANY support for an open marketplace of ideas. Everyone else is too apathetic, timid or fearful to speak up.

If you disagree with any of the opinions of Your Ward News, you should sit down at Timmy's and write a column and tell us why we don't have our facts straight. If you are offended by any political cartoons we have published, then you have to learn to draw (and have a clear idea to convey). History will reveal that political correctness, "hate laws" and human rights commissions are the evils that almost destroyed western civilization. Not racism. Not bigotry. Not hate. But sweet, caring political correctness.

Whether you say something in a donut shop or online, we believe that the CONTENT AND CONTEXT OF THE COMMUNICATIONS ARE IRRELEVANT. The next time you "roll up the rim to win", ask the manager if their Wi-Fi is "full access". Freedom will NEVER be given to you. You have to TAKE it! What better place to start than at a Canadian landmark like Tim Horton's?

Tim Horton's is part of a Canadian's everyday life. The iconic landmarks were started by the great Canadian hockey defenseman himself, who was admired by Bobby Orr when Bobby was young. Unfortunately, Tim Horton, who died in a car crash, would roll over in his grave if he knew that the Wi-Fi it provides for its customers has a censorship filter in place.

If you attempt to visit a politically incorrect website while drinking their coffee and eating their donuts you will be confronted with a notice that informs you of "ACCESS DENIAL". We are not talking about lewdness of any kind; only political opinion. Further examination reveals that the stated motive is to prevent adults from reading or viewing anything "inappropriate".

A lawyer inquired about Timmy's repressive policy regarding the open marketplace of ideas. The snotty response from Senior Corporate Counsel Jon Domanko was "In reference to your inquiry (sic) let me decline your request to change the Tim Horton's 'ACCEPTABLE USE POLICY' as it relates to WIFI available at Tim Horton's restaurant. If our guests do not agree with these terms they are free not to use the service". Your Ward News finds Mr. Domanko's notion of freedom questionable, to say the least.

However, if the lawyer represented a group of sodomites, Timmy's would have been far more accommodating. When the owner of dailyxtra.com contacted Timmy's regarding his lewd homosexual news site being blocked, Timmy's web administrator appropriately responded "We have reviewed this site's content and have found that it is not appropriate for all ages viewing in a public environment. We try to ensure that all our guests can enjoy a safe and pleasant experience when visiting us."

But when the sodomite hordes subsequently voiced their complaints on Twitter, Timmy's tore a strip off its web administrator for daring to offend them, and immediately unblocked the site. Timmy's spokeswoman Michelle Robichaud even went as far as kowtowing to the sodomite community with "Sometimes websites are blocked in error; dailyxtra.com never

BEND OVER TORONTO ...

THE PAN AM GAMES ARE ALMOST HERE!

In 2015 the City of Toronto will collect \$3.85 billion in property taxes. The Pan Am Games will burn \$2.57 billion or 67% of those property taxes in a mere 3 weeks; and create gridlock, chaos, and inconvenience for us all.

eligible for bonuses of up to 100% of their salaries upon completion of their contract In 2015, it was revealed that Troop's replacement, Saad Rafi, would receive a bonus of 100% of his CA\$428,794 salary upon completion of his contract.

In September 2013, it was reported that many senior members of the organizing committee, including then CEO Ian Troop, expensed Ontario taxpayers for things such as a cup of tea. Even Ontario Premier Kathleen Wynne said "I'm just going to say it's ridiculous. It is the kind of entitlement that is unacceptable". And she should know, being an expert on how to blow the money of the hard-working people of Ontario. To the average person living in poverty and getting by on a mere \$15,000 a year disability pension in Ontario, this kind of spending on a creepy porcupine and the entitlements of a bunch of political fat cats is totally obscene.

The billions of dollars spent on the Pan Am Games are only the start of the nightmare for residents of Toronto. All levels of government have gone on a spending spree using the excuse of the Games for everything from building projects that will later be sold off to cronies at a discount price, to the temporary lighting of the Bloor Viaduct which is estimated to cost us \$3.8 million by the time it's finished. (If it's finished on time for the games).

If governments are supposed to represent the will of the people I would like to know who asked for the Pan Am Games? Officially the cost of the Toronto Pan Am Games (July 10-26) and the Parapan Am Games (Aug 7-15) are supposed to come in at around \$2.57 billion. Yes, that's Billion with a B!

Of course we all know there are always cost overruns, graft and corruption not mentioned in this official figure. Mascot "PACHI", the creepy gay-friendly porcupine ALONE is estimated to cost upwards of \$134,550!

We don't even have porcupines here. I would think a skunk or a raccoon would be more appropriate; at least they can be seen on the streets of Toronto.

The 2015 Pan American Games will become the first completely ecologically friendly games, because it will be fully carbon neutral, which is code for the globalist bankers having their finger in the pie, as well as grabbing a big piece of that taxpayer money.

It seems the Games' organizing committee also scored big time with high compensation and bonus packages for its executive team. According to Wikipedia ...

In 2012, it was revealed that former CEO Ian Troop made CA\$552,065, with several other senior staff making between CA\$100,000 and CA\$400,000. Additionally, in 2013 it was revealed that as part of his compensation package, Troop would be eligible for a CA\$780,000 bonus at the end of his contract, if the games had finished successfully. Other executives are

PART OF KATHLEEN WYNNE'S SEX-ED PROGRAM IS TO CONDITION FUTURE GENERATIONS OF TAXPAYERS TO BEND OVER

Don't expect to get to work on time during the games either, even with the money spent on transit and road improvements by the city (Not that the airport train will help any of you working stiff). Traffic in the city will be a nightmare. Malls and restaurants will be crowded and it's safe to say that normal business will be slowed considerably.

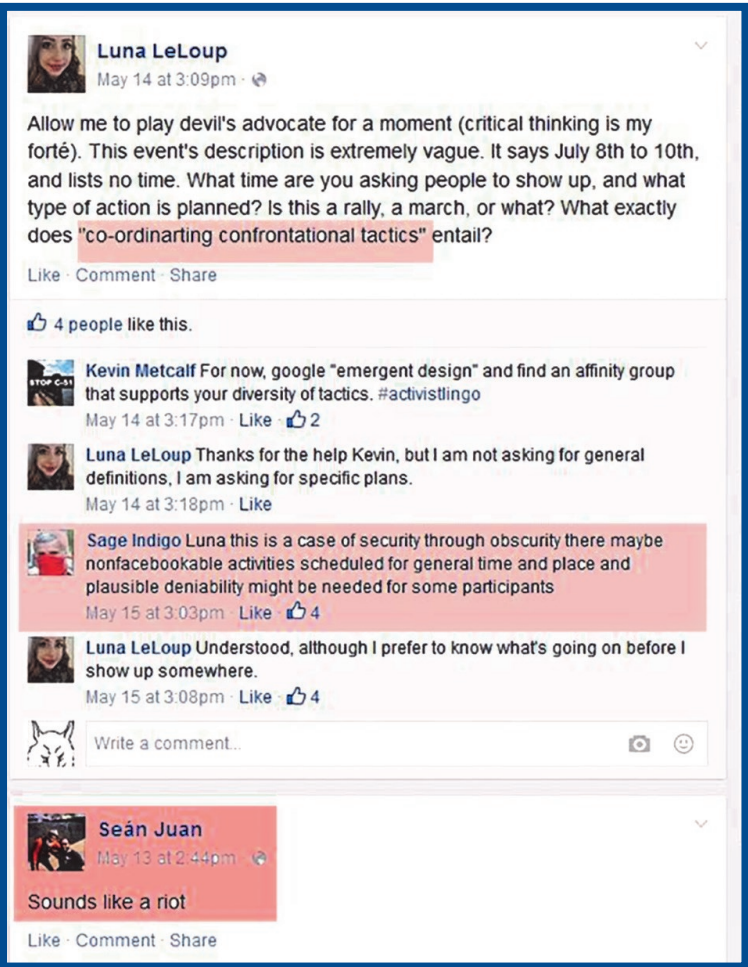

Furthermore, word on the street is that the anarcho-syndicalists and paid protesters have big plans to disrupt and destroy using their planned "diversity of tactics". These parasites are the same jokers who dressed in black during the G-20 and broke windows up Yonge Street. These black bloc anarchists have had plans in place for some time to disrupt the games. According to writer Greg Renouf, one unrepentant G-20 anarchist has been working in the office of City Councillor Shelley Carroll.

It is no secret that there's going to be trouble from the professional protest gang. Social media has been buzzing for months with plans to disrupt the games with potential riots, storming facilities, venues and so forth.

Was the idea of bringing the Pan Am games to Toronto one the people of Toronto really wanted or was it a plan for politicians and big business to line their pockets at your expense? Maybe this question should have been asked a long time ago. Now your only course of action is to bend over and try to enjoy it. Let the fun and games begin!

SO MUCH FOR TRUDEAU'S "JUST SOCIETY"

After receiving the most unjust parking fine in all my years of driving,
I spit on the grave of Pierre Elliot Trudeau.

By Dr. James Sears,
Editor-In-Chief,
Your Ward News.

In 1968, shortly after becoming Prime Minister of Canada, former National Socialist turned Marxist Pierre Elliot Trudeau exclaimed that he wanted to turn Canada into a "just society" where everyone is treated as equal. That phrase became his mantra. Of course, Trudeau meant we would all be "equal" in the Marxist sense—all equally miserable whilst being oppressed by an elite ruling class led by him.

The hypocrisy in Trudeau's statement is that Canada WAS a "just society" when he took power. I am old enough to remember those times, and they were fondly described to me by my parents. People were decent to one another and felt that we were "all in it together". You did not have to lock your doors. Violent crime was rare. Armed robbers did not shoot their victims.

My parents respected Canada and its aboriginal people. I often fondly tell the story of how my parents' reverence toward Aborigines was so great that I remember as a child tossing a gum wrapper onto the grass and my mother slapping me and saying "Never throw garbage on the ground again. This land doesn't belong to us. It belongs to the Indians."

My father told me a story of how a cop overheard him and a buddy speaking Greek on a sidewalk. The cop came over, pulled out his baton and said "Either speak English or I'll bash your skulls in". My father felt HE was in the wrong and politely apologized to the officer. Now THAT is the type of respect European immigrants showed toward the host nation.

There was an underlying Christian foundation in Canadian society which bound everyone together. Most immigrants were Christians. There was a smattering of Jews that were tolerated because they respected their Christian hosts. Muslims, Hindus and Buddhists were rare. But without exception every non-Christian denomination respected the fact that Canada was Christian. Stores were closed on Sunday and holidays. Sunday parking was free. Bars closed at 11pm. It was like "Leave It To Beaver". As a child I complained about it, begging my parents to take us to Buffalo for Sunday shopping. But looking back, I did not appreciate what we had.

All of that would soon come to an end. Under globalist puppet Pierre Trudeau, society drastically changed for the worse. Trudeau opened the floodgates to immigration of people from parts of the world that did not share our values. Trudeau called it "multiculturalism"—my father called it "the end of Canada".

Then in 1974 traitor Pierre Trudeau did the unthinkable—even though he knew the privately-owned Federal Reserve was RAPING our American neighbours, he gave away control of the Bank of Canada to Jacob

Rothschild and his cronies. Up until then the Bank of Canada printed INTEREST-FREE money for its own use, or to loan to provinces and municipalities for infrastructure projects. But Rothschild would have none of it! All three branches of government now had to pay billions of dollars a year in tribute to his banking empire.

Hyperinflation ensued during the 70's and 80's. Provinces and municipalities became cash-strapped and had to find alternate ways to raise capital to fund infrastructure. Nominal and rarely-enforced parking fines BALLOONED. Today the cost of licenses and fines has reached absurd proportions--there are even automated red light cameras. We are living in Rothschild's **Brave Jew World!**

The only relief in this financial gang rape is the Christian-inspired grace periods of 5 minutes for offences involving parking in excess of permitted time, and 10 minutes for remaining parked at an expired meter. Which brings us to the ticket pictured in this article, issued near Timothy's on the Danforth, where I was meeting a friend for coffee. "H. Mansoor, Officer #65948", of Toronto's Parking Enforcement Unit, wrote it. Mansoor immigrated to Canada thanks to Trudeau's "multiculturalism". And he has a job raping motorists, thanks to Trudeau giving away our central bank and leaving municipalities cash-strapped. Neither of those two facts is in dispute, or Mansoor's fault.

But Mansoor does not share our values. In the City of Toronto there is a 5 minute grace period for my offence. I was **ONLY 2 FUCKING MINUTES OVER** ... well-within the grace period. Mansoor did not honour the grace period because it is **NOT MANDATORY**. It is "officer's discretion". So, if an officer must hit his ticket quota, and he is not a Christian with a conscience, he can **RAPE US!** Hypocritically, Muslims forbid usury, but Mansoor does not seem to have a problem with me paying \$20 per minute or \$1,200 per hour in fines!

On the day I received the ticket, I spoke to other victims of Mansoor. It appears he has a habit of showing deep disdain for the people of Riverdale, with one neighbour nicknaming him "man-sewer". I owe it to them to go to court and rip a strip off Mansoor. I will lecture him on how a "just society" expects those with power to wield it. What he did is corrupt. Unbeknownst to Mansoor, on our court date he will be subjected to a Christian sermon and a demand that he come to Jesus.

But Mansoor is just a cog in the machine of corrupt government. This feeding frenzy for fine-driven revenue is totally out of hand, and so bad that now people are neurotic about getting fined for a myriad of offences. It creates general anxiety, guts the pursuit of happiness, and partially explains the surge in anxiety disorders in our society. And it is all thanks to Prime Minister Pierre Elliot Trudeau. And now Justin wants to follow in his daddy's footsteps. Yah, right! Fool the Canadian people once, shame on you. We will not fall for Marxism again.

I'm just going to start off by saying I respect the fact you're so dedicated to exercise your freedom of speech. I also feel (or at least hope) that your intentions come from a our intentions come from a kind place. That being said, I feel obligated to say your execution is poor at best. I'm going to try and explain a very simple concept to you that most homunculus Neanderthals with a learning disability can grasp. Open a dictionary, flip to the "C" section and look up "credibility". Now go to the "S" section. It's the letter that looks like a snake. Now read up on "stereotype". If you want to be a respected journalist but make racist and stereotypical comments, you loose credibility. Stick to the facts bubblehead.

What you fail to understand is that we (society) can't hold an entire religion, race or people of similar sexual orientation responsible for the actions of their sociopathic, greedy, extremist, lazy, rude or violent members... OR assume that others in the same group would act similarly. If that was actually the case, you're giving all Torontonians a horrific reputation for being a bigot rodent proctologist (that will make sense later). Holding a generic grudge against an entire group because you don't like the actions of an immoral minority is kindergarten behaviour. You're a liar, a bully, and will stop at nothing until you get what you want, and that makes you a dangerous person. While I'm being honest, it's not even the fact you're a narcissistic racist that, for me, discredits your paper. It's the fact that on almost every page there's a ridiculous "glamour" shot of your pompous face while happily giving your pet guinea pig a rectal exam. You know we're all laughing at you.... A lot.

I love how you slam David Suzuki for being a hypocrite, buying new products / "gadgets", implying he's polluting the landfills with perfectly good gear while you're so righteous, wearing old clothes and using old phones because you're against unnecessary litter. Do you know how many large NCparty stickers I've peeled off of parking meters, bus shelters, public signs and public/private buildings.... That's littering, which you seem to be SO against, but more importantly it's defacing city / private property. If I were you I might inform your NCP Youth, Sons of Freedom, or whoever distributes your flyers that they may be participating in light by-law illegal activity which only makes you look like a bigger chump than you already are..... Clownshoes brother, clownshoes.

I feel so bad for your children. You choose to be an asshole. They'll just involuntarily follow in your stinky wake, and grow to also be filled with hate towards their fellow man. One is not

born racist, it's taught.... Fact. Turds don't fall far from the anus.... You're the anus, get it? lol. Oh, and naming the sample member card "Tyler Durden"... OMG! Super cute movie reference! I bet that poor excuse for a dog you nifkin stroke in every issue is named Brad... Bromance perhaps? Just more laughing.

You're a joke and have ZERO credibility. My entire street (and growing) treats your paper like a comic strip. We point and laugh (even more), we criticize the dribble, and then we use it to clean our pets excrement and children's vomit. So, thanks for that I guess, saves me paper towel money.

P.S. White vinegar mixed with some club soda and a splash of rubbing alcohol might get that stink of rodentia anal cavity off your finger.

Dave M., Toronto

Each month I receive several Ghomeshi-style homoerotic love letters from homosexual men obsessed with me. Sometimes they are up front about their desire to be ravaged by the most handsome heterosexual man in Toronto. In other instances, like the one above, they coyly imply their desires, hoping I take the bait. I published this letter to give our readers an idea of what a curse it is to be born as handsome, charming, and intelligent as me. I edit a newspaper mandated to promote social justice in our community. But by merely publishing my photo which screams "REAL MAN", I attract freaks like Dave. Let us for a moment analyze his letter.

It is filled with references to me being "racist" and performing bottom probing. That is because Dave WANTS me to be a bottom-probing racist. He does not specify what sort of racism he refers to because he is being coy about his own ethnic background—he wants to build intrigue as to what sort of sexual tryst we will have. You see, Dave is partaking in foreplay which he hopes will lead to a type of sexual roleplaying called "race play". If you are not familiar with the term, it is "a form of consensual, sexual roleplaying in which the actual, perceived or assumed racial/ethnic/national identities of the participants are specifically the focus of the scene."

In other words, in Dave's homoerotic fantasy I play the "racist" power top to his genetically inferior bottom. If Dave is Jewish, he wants me to be the closeted Nazi concentration camp guard who molests him in the shower. If Dave is black, he wants me to be the closeted slave master who is fondling him in the barn while my wife is at church. No matter what race Dave is, he taunts and name-calls me in hopes that I lose it and take revenge on his anus. Re-read his letter and you will see what I mean.

To borrow a line from the immortal Robert Palmer, "I didn't mean to turn you on". That goes for all the "Daves" who have been sending me this homoerotic filth. Years ago we granted you the right to sodomize one another—I am sure you can find a straight-acting, masculine-looking fag to fulfill your fantasy. He may not be as manly as me, but at least can PRETEND to be me during role-playing.

Dr. James Sears, Editor-In-Chief

You support free speech or hate & ignorance??? I'm not a religious man, I believe in equality for the masses regardless of race religion sex etc. I also believe in justice & truth for all. There are two types in this world....good & evil....which one are u?

Anonymous

Do you honestly expect those who are evil to admit it? Instead of asking people if they are good or evil, judge them by their words and actions. Evil people always tell you what you want to hear. We tell the truth, whether you want to hear it or not.

Dr. James Sears, Editor-In-Chief

When it comes to reading papers, I'm particularly interested in reading "Letters to the Editor". One letter to your paper from Marcy, Upper Beach, resonated with me for a couple of reasons. When I was verbally attacked for writing articles for your paper, I have to say my response to this individual was the same ... no one is forcing you to read the paper! The "Manmade Global Warming" scam that Dr. Sears refers to is 100% true; and I to get sick to my stomach when I see Crimes Against Humanity (like chemtrails) being perpetrated on citizens like you and me on a global scale each and every day!

Marlene Lynn

To remind readers, "Marcy" was disturbed at receiving our newspaper. I told her that no one was forcing her to read it. In the recent past Marlene has written excellent articles on the toxicity of vaccines, and I hope she submits another one soon.

Dr. James Sears, Editor-In-Chief

What's the story with Warren Kinsella and his obsession with your paper? He's only hurting the Liberal party by being such a dick. And please comment on the whole Confederate flag controversy. Thanks.

Bill, Wheeler Avenue

We are just as puzzled by Warren's sick obsession with us as you are. I feel it is more related to one of our writers rather than the paper itself. As for the Confederate Flag, JJ wrote an awesome piece in the centre spread of this month's paper.

Dr. James Sears, Editor-In-Chief

Your newspaper is a gift from God. I pray that it survives many years and all your staff, writers, editor and publisher will be safe from harm from those you expose. Jesus loves all of you and he will protect you. Amen.

Rosanna, 2575 Danforth Avenue

Thank you for your kind words and prayers. We have no fear. Evil will never triumph over good. As Sophocles said, "A lie never lives to grow old". The more lies we expose, the weaker our enemies become, until finally they collapse into the abyss.

Dr. James Sears, Editor-In-Chief

We're pensioners, so we're usually home when the mail comes. Each

month after we receive your lovely paper, we sit by the window waiting for neighbours to come home and check their mailboxes. Reactions vary from laughing out loud to visible disgust. One politically correct woman living across the street always fumbles for her cell phone after she sees your front cover, and appears to break down as she describes it to a friend. The look of pain on her face is priceless. We loathe our neighbours. Thank you.

Bob & Cindy, Upper Beach

It is letters like yours that make all the hours of editing and going back and forth with my talented graphic artist Robert James, worth every minute. Maybe your neighbour is the one that throws torn up copies of the paper in front of our office. From the meticulous way it is torn apart, it is likely the result of sexual frustration.

Dr. James Sears, Editor-In-Chief

You're racist scum. I reported you to the police, Attorney General, Canada Post and the Mayor's office. Your days are numbered. Watch your fucking back asshole.

Anonymous

This month's front cover is dedicated to Bolshevik rats like you.

Dr. James Sears, Editor-In-Chief

My husband hates you. Seeing him get angry turns me on. You've improved our sex life tremendously. Thank you.

Sandra, Kingston Road

Is his name "Dave"?

Dr. James Sears, Editor-In-Chief

Due to the offensive nature of your paper, I've desperately searched for factual errors to call you out on. To date, everything you've written has proved to be 100% accurate, which is more than I can say for Beach Metro. I give up. Could you at least tone down the foul language and racism. I really do want to love your paper, but I'm torn.

Ruth G., Toronto

OK, just for you, I will tone down profanity and racism. LOL! I am fucking with you. I am NOT your Nigger, and will not be told what to write.

Dr. James Sears, Editor-In-Chief

We cannot publish every letter we receive. Please note that this month, positive letters outweighed negative ones by a ratio of 20 to 1.

JOIN THE NCP:

FOR A LIMITED TIME you can become a **LIFETIME FOUNDING MEMBER** of The New Constitution Party of Canada for only \$10. As a founding member you will receive a laminated membership card.

(Back of Card)

FOR A LIMITED TIME you can become a **LIFETIME BLOOD MEMBER** of The New Constitution Party of Canada for only \$20. As a blood member you will receive a slick, high-quality, adjustable Velcro NCP ARMBAND in addition to your laminated membership card.

(Front of Card)

(Back of Card)

To join the NCP just fill out the online form at www.NCparty.ca and check "YES, I would like to join the NCP!" Take advantage of these limited time offers ASAP--when they expire, party memberships will run on an annual basis, so you will have to pay every year to be a member in good standing.

NCP YOUTH : If you are a male of 16 or 17 years of age, you qualify for membership in the "NCP Youth". After the party is officially registered, you will have the opportunity to attend such educational events as "Freedom Camp" and lectures geared toward preparing you to become a "Son of Freedom". Your duties will include caring for and assisting the Founding Elders, and distributing propaganda for the party.

SONS OF FREEDOM : If you are a male between the ages of 18 and 29, you qualify for membership in the "Sons of Freedom". Your duties will include educating the "NCP Youth", distributing propaganda, providing security at events, providing "muscle" during demonstrations and rallies, and performing community service (i.e. caring for the elderly and poor, using "citizen's arrest" powers to enforce existing laws that the Marxist-infected state refuses to enforce in order to corrupt society, infrastructure repair after catastrophic events, etc.)

LEGION OF DISRUPTION : If you are a male between the ages of 30 and 64, you qualify for membership in the "Legion of Disruption". At your age you hold optimal influence within society, due to your level of maturity, life experiences, and vocational status. Your prime directive will be to disrupt and dismantle any unnatural or unethical social constructs you encounter, and substitute them with NCP doctrines. You will root out and expose immorality and corruption wherever you find it. If an enemy is too great for you to neutralize alone, you will be empowered to enlist other Legion members to form a temporary, discreet, ad hoc "Disruption Cell", for the express purpose of accomplishing your moral goal, provided your plan of action follows the principles of the NCP Constitution.

FOUNDING ELDERS : If you are a male of at least 65 years of age, you qualify for membership in the "Founding Elders". Your duties will include educating the "NCP Youth" and the "Sons of Freedom", and acting as a community liaison between the party and outside groups that could potentially be absorbed into the party. You also qualify to become a member of the "Inner Circle" of Founding Elders if your membership is unanimously approved by the "Inner Circle" and the Party Leader.
